Hello Perio Clubbers,

Just forwarding the latest email from Hells Canyon Sport Fishing with their cancellation policy and payment info. Looks like the Nov. 15-17 is the best weekend for us in Nov. that is available for up to 18 people. Arriving Thursday night and leaving Sunday after fishing. I just need a count of who is interested in doing some fishing and having a great time doing it!

Todd

Hi Jennifer,

Based on the dates you provided, it looks like Nov. 15-17 would work the best for our group since it would have to be over a weekend. Initial count at our last meeting was more than 12 people that were interested and I will get a more accurate number soon. Before we start pulling the trigger on this the group wants to know what kind of deposit is required for the trip either per person or for the group and what kind of cancellation policy do you have.

Thanks, Todd
